Featured Occupation:

Physical Therapists

This **LATER** occupation category includes employees who assess, plan, and participate in rehabilitative programs that improve mobility, relieve pain, and increase strength for injured persons and correct disabling conditions from disease or injury.

There were 15 new job postings for Physical Therapists in the past 60 days.

Preferred Skills:

Physical Therapy, Treatment Planning, Rehabilitation, Aerobics, Patient Treatment, Home Health, Instruction, Long-Term Care

Preferred Certifications:

First Aid, CPR, AED, American Physical Therapy Association

Top Employers:

Genesis Rehab Services, Gentiva Health, LHC Group Inc., NHC Rehabilitation, RehabCare, MedTravelers

Average Annual Wage: \$76,460

Occupations are typically classified as **NOW**, **NEXT** and **LATER**, depending on the training required.

NOW occupations usually require less than 1 month (short-term) to no more than 12 months (moderate-term) of on-the-job training.

NEXT occupations usually require more than 1 year (long-term) on-the-job training and can additionally need specific work experience; generally requires an associate's degree or a substantial vocational education.

LATER occupations usually require a bachelor's degree and may need specific work experience; potentially some work experience or advanced degree required.

Data for this analysis has been extracted using Burning Glass Technologies, Labor/Insight™ tool that collects information from over 35,000 web sources, including job boards, newspapers, large and small employer websites. Missouri Economic Research and Information Center (MERIC) uses this data to compile and publish reports for the State and Labor Market Regions.

While this analysis presents a broad picture of hiring activity and serves as a measure of labor demand, it does not capture openings that are filled through other networks.
