

Cape Girardeau Area - Southeast Missouri Region

Proudly promoted and marketed by the Cape Girardeau Area MAGNET

Why consider the Cape Girardeau Area? We have the reasons why...

1. Missouri is proven to be a low cost state to do business.
2. The Cape Girardeau area is situated conveniently in the Midwest of the United States, with access to most major US Markets within one to two days.
3. Multimodal transportation including waterways, air, rail, and we can't forget the abundance of highways.
4. Area workforce is available, capable, reliable and committed to business success.
5. Diversified regional economy with a growing foundation of manufacturing, healthcare, retail and service sectors.
6. High quality and affordable Higher Education Centers.
7. A conducive and supportive business climate.
8. Your leaders and employees can envision the lifestyle they want in the variety of communities within the Cape Girardeau area.
9. Your success is our success. A team of professionals is in place ready to assist your business in achieving its goals.
10. Fill in the blank: _____, *opportunities abound in the Cape area!*
